

Badwater Single Cutaway Guitars

The Badwater Single Cutaway has a set mahogany neck for strength and excellent sustain. It is available in all five popular Badwater finishes: Crackle Brown/White, Crackle Black, Crackle Blue, Antique Brown and Off-White. It comes with 2 EMG-Designed Alnico humbuckers with antiqued metal pickup covers. The unique crackle or distressed finishes cover the entire body and neck of the guitar. The rosewood fretboard features classic-style block inlays. The rosewood fretboard features classic-style block inlays.

Badwater Single Cutaway guitars also feature antiqued hardware and AXL logo on the headstock.
